Dear Michele:

We are pleased to enclose herewith the original and six soft copies "soft" copies of the above patent. Any product covered by this patent should now be marked "Pat." or "Patent" followed by the patent number. The original document should be carefully preserved with the company's important papers.

We are now in the process of proofreading the patent for errors and, if significant errors are found, we will request a Certificate of Correction.

Very truly yours,

Sherry L. Hunt
Secretary to Robert C. Nabinger
